WELCOME TO BUGBEE HOMES

Bugbee Homes was founded over 20 years ago with the dual purpose of improving the home building process and improving the communities that we live in.

Troy Bugbee owns and operates the company that is dedicated to building quality homes at a price that can meet the needs of every customer. He brings a positive attitude and strong commitment to his clients every day. His successful work is the result of collaborating with homeowners and allowing them to actively partake in all decisions in building their dream home.

Bugbee Homes is a proud member of the Better Business Bureau.
